01

Introduction

Overview of Langualiser Project

Project Scope

We simply decided to create something better than Duolingo :D

Timeline

We will try to beat duolingo in one year since publishing Langulaiser, and we give ourselves one year to create it

Resource Allocation

We already allocated people, PM, Sponsors, BA, Developers Team, Marketing team and We have 800k PLN and might to do it!

Langualiser
Your Language mate

Mission and Vision of Robust Learning Ltd.

- **Mission Statement**

To provide innovative language learning solutions for individuals and businesses worldwide.

To become a global leader in language education through cutting-edge technology and personalized learning experiences.

02

Available Languages

English Language Module

Module Features

Includes grammar, vocabulary, pronunciation, and listening exercises, in future we will add speaking clubs with natives from USA, UK and Australia

Target Audience

Designed for beginners and intermediate English learners

Spanish Language Module

01

Desarrollo del módulo

Planificación y creación de contenido en español para el proyecto LanguaLiser

02

Integración del módulo

Incorporación del módulo de idioma español en la plataforma LanguaLiser para usuarios ambos polaco y inglesehablantes

Polish Language Module

Integracja

Integracja modułu języka
polskiego do platformy
Langualiser

Tłumaczenia

Zapewnienie tłumaczeń
interfejsu użytkownika oraz
treści na język polski

Testowanie

Przeprowadzenie testów
funkcjonalności modułu
języka polskiego przed
wdrożeniem (co nie jest łatwe)

03

Design Concept

Why We've chosen Bordeaux Purple as Main Color?

- Elegance and sophistication
 - Bordeaux purple exudes a sense of elegance and sophistication, perfect for a high-end design concept.
- Creativity and uniqueness
 - Using Bordeaux purple as the main color scheme can help the project stand out with a creative and unique visual identity.
- A fact that Bordeaux wine is the most preferred one by our PM is a pure correlation here :D

04

Features

Interactive Language Lessons

Engaging Activities

Interactive exercises and games to make learning fun and effective

Real-time Feedback

Receive instant feedback on pronunciation and grammar for improvement

Personalized Learning

Tailored lessons based on individual progress and goals

Vocabulary Building Tools

01 Flashcards

Create digital flashcards to enhance vocabulary retention.

Curate personalized word lists for targeted vocabulary practice.

03 Gamified Learning

Engage users with interactive games to make vocabulary building fun and effective.

Progress Tracking System

Real-time Updates

Provides instant progress updates for all project stakeholders

Milestone Tracking

Allows tracking of key milestones to ensure project stays on schedule

Task Assignment

Assigns tasks to team members and tracks their completion status

05

Development Timeline

Milestones and Deadlines

Project Kickoff

We gonna start it ASAP we complete the documentation

Prototype Completion

We will have prototype in about 6 months 🐢

Final Delivery

We gonna deliver the completed Languagiser project to the public in a year!

Testing and Feedback Phase

User Testing

Gather feedback from target users to evaluate usability and functionality

Beta Testing

Release the product to a limited audience to identify bugs and gather feedback

Iterative Improvements

Implement changes based on feedback to enhance the product before final release

06

Conclusion

Summary of LanguaLiser Project

- Project Scope
 - We already defined the objectives, deliverables, and constraints of the LanguaLiser Project (We will send you all the documents)
- Timeline
 - And we already established a detailed timeline with milestones for the successful completion of the LanguaLiser Project.

Future Expansion Plans

01

Market Research

Conduct in-depth market research to identify potential new target languages for the LanguaLiser Project (French and German).

02

Collaboration Opportunities

Explore collaboration opportunities with other language learning platforms (Duolingo does NOT count) to expand the reach and impact of the LanguaLiser.

Thank You

Kamil Truskowski
