Project Schedule

Project: Langualiser
Description: Implementation of the Langualiser mobile app on iOS and Android
PM's name and surname: *Kamil Truszkowski*
Date: 09.09.2024

---

1. Key Milestones

Milestone	Completion Date	Responsible Team
Project Kickoff	11.11.2024	PM, All Teams
Requirements Gathering	11.12.2024	Business Analyst, PM
Market Analysis	11.12.2024	Business Analyst, Translators
Design Phase Completion	11.01.2025	IT Architect, UX/UI Designers
Development Phase Completion	11.06.2025	Developers, Translators
Beta Testing Begins	11.07.2025	Testers, Translators
Beta Testing Completion	11.09.2025	Testers

Final Optimization & Fixes	11.10.2025	Developers, Testers
Deployment on iOS and Android	11.11.2025	Developers, Marketing Team
Post-Launch Monitoring & Maintenance	Ongoing	PM, Developers, Translators

---

2. Detailed Action Plan

Month 1-2: Preparation Phase

- **Kickoff Meeting (11.11.2024):**
  - **Team Involved:** PM, All Teams
  - **Tasks:** Introduce project objectives, outline roles and responsibilities, and discuss initial timeline and milestones.
- **Requirements Gathering (11.11.2024 - 11.12.2024):**
  - **Team Involved:** Business Analyst, PM
  - **Tasks:** Collect detailed requirements from stakeholders, focusing on multilingual support (English, Spanish, and Chinese) and key features like interactive lessons, offline access, and gamification.
- **Market Analysis (11.11.2024 - 11.12.2024):**
  - **Team Involved:** Business Analyst, Translators Team
  - **Tasks:** Analyze the language learning market, especially focusing on English, Spanish, and Chinese markets, and identify key competitors and trends.

Month 3-4: Design Phase

- **System Architecture Design (11.12.2024 - 11.01.2025):**
  - **Team Involved:** IT Architect
  - **Tasks:** Develop the system architecture, including database design, API integration, and server configuration.

- **UI/UX Design (11.12.2024 - 11.01.2025):**
  - **Team Involved:** IT Architect, UX/UI Designers, Translators
  - **Tasks:** Create wireframes and prototypes for the app's interface, ensuring that it is user-friendly and supports all languages.

Month 5-9: Development Phase

- **Core Functionality Development (11.01.2025 - 11.05.2025):**
  - **Team Involved:** Developers, Translators Team
  - **Tasks:** Develop core app features, including interactive lessons, offline functionality, and progress tracking. Translate educational content and UI into English, Spanish, and Chinese.
- **API Integration (11.02.2025 - 11.05.2025):**
  - **Team Involved:** Developers
  - **Tasks:** Integrate the app with third-party translation APIs and other necessary external services.
- **Internal Testing & Iterations (11.04.2025 - 11.06.2025):**
  - **Team Involved:** Developers, Testers
  - **Tasks:** Conduct initial testing of the app's functionalities and fix any identified issues.

Month 10-11: Testing and Deployment Phase

- **Beta Testing (11.07.2025 - 11.09.2025):**
  - **Team Involved:** Testers, Translators Team
  - **Tasks:** Launch beta testing in English, Spanish, and Chinese, collect feedback, and perform localization and UX testing.
- **Final Optimization & Fixes (11.09.2025 - 11.10.2025):**
  - **Team Involved:** Developers, Testers
  - **Tasks:** Address feedback from beta testing, optimize performance, and ensure all features are functioning as expected.
- **Deployment (11.11.2025):**
  - **Team Involved:** Developers, Marketing Team
  - **Tasks:** Deploy the application on iOS and Android platforms, initiate a marketing campaign targeting the English, Spanish, and Chinese markets.

Ongoing: Post-Launch Monitoring & Maintenance

- **Monitoring & Updates (11.11.2025 – Ongoing):**
  - **Team Involved:** PM, Developers, Translators
  - **Tasks:** Continuously monitor app performance, roll out regular content updates, and add new features based on user feedback and market demand. Provide ongoing technical support and translation updates.
